

# TOWERCLIMBER®

IT'S A LONG TRIP  
TO THE TOP...

...AND WE ARE IN IT  
FOR THE DURATION

Wind energy, telecoms, and electrical towers require specialized workers with the strength and confidence to get the job done. With the critical features to support your work, FallTech's TowerClimber® series of products is there to handle whatever the job demands.

# ComforTech TowerClimber®

Comfort, function and fit are the focus of our ComforTech TowerClimber® harnesses. A perfect balance of seat and back support is achieved with our full-range adjustability throughout the rig.
